

Productnaam: **AVILUB RSX**

AVILUB RSX 220 is a high-grade industrial gear oil, based on mineral oil, under addition of lead-free EP-additives to obtain the following properties:

- a very good resistance towards high pressures and shock loads
- a good resistance against high temperatures
- good corrosion preventing properties
- an excellent prevention from wear
- a very good activity against foaming
- a low pour point

AVILUB RSX 220 can be used for the lubrication of almost any type of industrial gear box, even when exposed to heavy duty and shock loads.
